## **Fast Forward Teacher Toolkit: New Training Opportunity from KET**

*The following KET information was sent to the KYAE listserv.*

### **INFORMATION FROM KET...**

New Training Opportunity  
by [Fast Forward News](#) - Tuesday, February 24, 2015

KET is excited to announce a new way for you and your fellow teachers to get trained in Fast Forward and find answers to your questions. Beginning March 4<sup>th</sup> at 2:00pm (Eastern time), KET is starting regular webinars available for anyone to join in and learn more about Fast Forward. We will be establishing a rotating series of webinars covering everything from setting up your license to classroom reporting and the Teacher Toolkit itself. Each webinar is planned to last between 20 and 30 minutes with an extended time of Q&A available at the end for anyone to ask questions.

Best of all, KET is providing these webinars from within the Teacher Toolkit itself in the Fast Forward section. All you need to be able to attend is a Fast Forward teacher or admin account and Adobe Flash. No pre-registering or other software required. Just go to the Toolkit, click on the Fast Forward section, and click on the webinar name to enter. Also, each webinar will be recorded for others to watch that missed it.

So mark your calendars for **March 4<sup>th</sup>, 2015 at 2:00pm** eastern time for the first webinar: **Fast Forward: Rosters and Reports.**
